PROXY STATEMENT

MEETING INFORMATION

The Board of Directors of Cree, Inc. (the "Company") is asking for your proxy for use at the 2006 Annual Meeting of Shareholders and any adjournments of the meeting. The meeting will be held at the Company's offices at 4425 Silicon Drive, Durham, North Carolina 27703, on Friday, November 3, 2006, at 10:00 a.m. local time, to conduct the following business and such other business as may be properly brought before the meeting: (1) election of eight directors; and (2) ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending June 24, 2007.

The Board of Directors recommends that you vote FOR the election of the director nominees listed in this proxy statement, and FOR ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending June 24, 2007.

The Company intends to mail its 2006 Annual Report, this proxy statement and the accompanying proxy card to shareholders beginning on or about September 20, 2006. The annual report and proxy statement will also be available on the Internet at www.cree.com/annualmeeting. The annual report is not part of the Company's proxy soliciting materials.

VOTING PROCEDURES

Who Can Vote

Only shareholders of record at the close of business on September 5, 2006 are entitled to vote at the meeting and any adjournments of the meeting. At that time there were 77,276,869 shares of the Company's common stock outstanding, each of which is entitled to one vote on each matter submitted to a vote at the meeting. The common stock is the only class of securities of the Company that has the right to vote at the meeting.

How You Can Vote

You may vote shares by proxy or in person using one of the following methods:

- *Voting by Telephone.* You can vote using the directions on your proxy card by calling the toll-free telephone number printed on the card. The deadline for voting by telephone is Thursday, November 2, 2006, at 11:59 p.m. Eastern time. If you vote by telephone you need not return your proxy card.
- *Voting by Internet.* You can vote over the Internet using the directions on your proxy card by accessing the website address printed on the card. The deadline for voting over the Internet is Thursday, November 2, 2006 at 11:59 p.m. Eastern time. If you vote over the Internet you need not return your proxy card.
- *Voting by Proxy Card.* You can vote by completing and returning your signed proxy card. To vote using your proxy card, please mark, date and sign the card and return it by mail in the accompanying postage-paid envelope. You should mail your signed proxy card sufficiently in advance for it to be received by Thursday, November 2, 2006.
- *Voting in Person.* You can vote in person at the meeting if you are the record owner of the shares to be voted. You can also vote in person at the meeting if you present a properly signed proxy that authorizes you to vote shares on behalf of the record owner. If your shares are held by a broker, bank, custodian or other nominee, to vote in person at the meeting you must present a letter or other proxy appointment, signed on behalf of the broker or nominee, granting you authority to vote the shares.

[Table of Contents](#)

How You Can Revoke Your Proxy and Change Your Vote

You can revoke your proxy and change your vote by (1) attending the meeting and voting in person, (2) delivering written notice of revocation of your proxy to the Secretary at any time before voting is closed, (3) timely submitting another signed proxy card bearing a later date or (4) timely submitting new voting instructions by telephone or over the Internet as described above.

How Your Proxy Will Be Voted

If you timely submit your proxy by telephone, over the Internet or by proxy card as described above and have not revoked it, your shares will be voted or withheld from voting in accordance with the voting instructions you gave. If you timely submit your proxy without giving contrary voting instructions, your shares will be voted "FOR" election of the director nominees listed in this proxy statement, and "FOR" ratification of the appointment of Ernst & Young LLP as the Company's independent auditors for the fiscal year ending June 24, 2007.

How You Can Vote Shares Held by a Broker or Other Nominee

If your shares are held by a broker, bank, custodian or other nominee, you may have received a voting instruction form with this proxy statement instead of a proxy card. The voting instruction form is provided on behalf of the broker or other nominee to permit you to give directions to the broker or nominee on how to vote your shares. Please refer to the voting instruction form or contact the broker or nominee to determine the voting methods available to you.

Quorum Required

A quorum must be present at the meeting before business can be conducted. A quorum will be present if a majority of the shares entitled to vote are represented in person or by proxy at the meeting. Shares represented by a proxy with instructions to withhold authority to vote or to abstain from voting on any matter will be considered present for purposes of determining the existence of a quorum. Shares represented by a proxy as to which a broker, bank, custodian or other nominee has indicated that it does not have discretionary authority to vote on any matter (sometimes referred to as a "broker non-vote") will also be considered present for purposes of determining the existence of a quorum.

Vote Required

Directors will be elected by a plurality of the votes cast. Thus the eight nominees who receive the most votes will be elected to fill the available positions. Shareholders do not have the right to vote cumulatively in electing directors. Withholding authority in your proxy to vote for a nominee will result in the nominee receiving fewer votes.

The proposed ratification of the appointment of Ernst & Young LLP as independent auditors for fiscal 2007 will be approved if the votes cast for approval exceed the votes cast against approval.

Abstentions and broker non-votes will not be counted for purposes of determining whether these proposals have received sufficient votes for approval.

Code of Ethics

We have adopted a Code of Ethics applicable to our senior financial officers, including our Chief Executive Officer and Chief Financial Officer. The full text of our Code of Ethics is published on our website at www.cree.com. We intend to disclose future amendments to, or waivers from, the Code of Ethics consistent with Item 5.05 of Form 8-K on our website within four business days following the date of such amendment or waiver. We will also provide a copy of our Code of Ethics to any person, without charge. All such requests should be in writing and sent to the attention of the Corporate Secretary, Cree, Inc., 4600 Silicon Drive, Durham, NC 27703.

Board Composition and Independence of Directors

The size of the Board of Directors was fixed at nine members in 1988 by shareholder action pursuant to the Company's Bylaws. Generally only from six to eight persons have served on the Board at any one time. Only

[Table of Contents](#)

eight persons have been nominated for election at the annual meeting. Under the rules of the Securities and Exchange Commission, the accompanying proxy cannot be voted for more than eight nominees.

A majority of the Board of Directors must be comprised of independent directors for the Company to comply with the listing requirements of The Nasdaq Stock Market ("Nasdaq"). The Board has determined that six of the present directors—Messrs. Dykes, von Arx, Hosein, Potter, Wagner and Werner—are each an "independent director" within the meaning of the applicable Marketplace Rules of Nasdaq. All six of these directors are standing for election.

Attendance at Meetings

The Board of Directors held five meetings during the fiscal year ended June 25, 2006. Each incumbent director attended or participated in 75% or more of the aggregate of the number of meetings of the Board of Directors held in fiscal 2006 during the period he served as a director and the number of meetings of committees on which he served that were held during the period of his service.

The Company expects all directors to attend each annual meeting of shareholders absent good reason. All six directors serving at that time attended the 2005 Annual Meeting of Shareholders.

Standing Committees

The standing committees of the Board of Directors include the Audit Committee, the Governance and Nominations Committee and the Compensation Committee. Each of these committees operates under a written charter adopted by the Board, copies of which are available on the Company's website at www.cree.com. The charter of the Audit Committee was included as an appendix to the Company's proxy statement in connection with its 2005 Annual Meeting of Shareholders and has not been amended. The charters of the Governance and Nominations Committee and the Compensation Committee were included as appendices to the Company's proxy statement in connection with its 2004 Annual Meeting of Shareholders and have also not been amended. Each committee is composed solely of independent directors. The following is a brief description of the responsibilities of each of the existing standing committees and their composition.

Audit Committee

The Audit Committee is appointed by the Board to oversee the accounting and financial reporting processes of the Company and audits of the Company's financial statements. The responsibilities of the Audit Committee include acting on the Board's behalf in providing oversight with respect to (i) the quality and integrity of the Company's financial statements and internal accounting and financial controls, (ii) all audit, review and attest services relating to the Company's financial statements and internal controls, including the appointment, compensation, retention and oversight of the work of the auditors engaged to provide audit services to the Company and (iii) the Company's compliance with legal and regulatory requirements.

The members of the Audit Committee are Messrs. Wagner, Dykes, Potter, von Arx, Hosein and Werner. The Board has determined that all members of the Committee are "independent directors" within the meaning of the applicable Nasdaq Marketplace Rules, including the special independence requirements applicable to Audit Committee members. Mr. Wagner is Chairman of the Audit Committee and has served in that capacity since 2004. The Board has determined that Mr. Wagner and Mr. Hosein are each an "audit committee financial expert" as defined in Item 401 of Regulation S-K of the Securities and Exchange Commission. The Audit Committee held eight meetings during fiscal 2006.

Governance and Nominations Committee

The Governance and Nominations Committee is appointed by the Board to assist the Board in fulfilling its responsibilities to shareholders by (i) identifying individuals qualified to become directors and selecting, or recommending that the Board select, the candidates for all directorships to be filled by the Board or by the

[Table of Contents](#)

shareholders, (ii) developing and recommending to the Board corporate governance principles for the Company and (iii) otherwise taking a leadership role in shaping the corporate governance of the Company.

The members of the Governance and Nominations Committee are Messrs. von Arx, Dykes, Potter, Wagner, Hosein and Werner. The Board has determined that all members of the Committee are “independent directors” within the meaning of the applicable Nasdaq Marketplace Rules. Mr. von Arx is Chairman of the Governance and Nominations Committee and has served in that capacity since 2004. The Governance and Nominations Committee charter establishes a policy with regard to the consideration of director candidates, including those candidates recommended by shareholders. The Committee will consider written nominations properly submitted by shareholders according to procedures set forth in the Company’s Bylaws. For a description of these procedures and policies regarding nominations see “Procedures for Director Nominations” and “2007 Annual Meeting of Shareholders” below. The Governance and Nominations Committee held four meetings during fiscal 2006.

Compensation Committee

The Compensation Committee is appointed by the Board to assist the Board in discharging its overall responsibility relating to executive officer and director compensation and to oversee and report to the Board as appropriate on the Company’s compensation policies, programs and plans, including its stock-based compensation programs. The Compensation Committee approves the compensation of all executive officers, administers the Company’s stock-based compensation programs and recommends compensation for non-employee directors to the Board for approval.

The members of the Compensation Committee are Messrs. Dykes, Potter, von Arx, Wagner, Hosein and Werner. The Board has determined that all members of the Committee are “independent directors” within the meaning of the applicable Nasdaq Marketplace Rules. Mr. Dykes is Chairman of the Compensation Committee and has served in that capacity since 1992. The Compensation Committee held six meetings during fiscal 2006. The Compensation Committee also takes action by unanimous written consent in lieu of holding a meeting.

Compensation of Directors

Directors who are also employed by the Company are not separately compensated for their service on the Board. Non-employee directors are compensated for Board service through a combination of a cash retainer, cash meeting fees and grants of restricted stock and non-qualified stock options to purchase shares of the Company’s common stock. The Company also reimburses directors for expenses incurred in serving as a director.

The Company grants each non-employee director annually an option with a vesting term corresponding to the term of service following election as a director at the annual meeting of shareholders. The Company also grants each non-employee director a restricted stock award annually with a one year vesting term. Non-employee directors appointed to fill a vacancy between annual meetings of shareholders are generally granted equity awards in an amount and with vesting terms that correspond to the remaining term of service before the next annual meeting. The exercise price of all option grants is equal to the fair market value on the grant date, vesting of the option is subject to continued service to the Company and the maximum term of the option is seven years. The options generally vest during the term of service as a director following election, vesting in equal increments on the last day of each calendar quarter following election or, if earlier, upon the election of directors at the next annual meeting.

In accordance with this practice, the Company on September 1, 2005 granted each non-employee director then serving on the Board an option to purchase 5,000 shares of the Company’s common stock. The options were granted at an exercise price of \$25.47 per share, the closing market price on that date. The option terms provide for vesting in equal increments on the last day of each calendar quarter following election as a director at the 2005 Annual Meeting or, if earlier, upon the election of directors at the 2006 Annual Meeting. The Company also on September 1, 2005 granted 5,000 shares of restricted stock to each non-employee director then serving on the Board. The shares of restricted stock were subject to vesting restrictions and other terms and conditions and

[Table of Contents](#)

vested on September 1, 2006. Mr. Hosein, who joined the Board in December 2005, was granted an option on December 19, 2005 to purchase 3,750 shares of the Company's common stock at an exercise price of \$25.89 per share, the closing market price on that date, with the vesting terms described above. In addition, Mr. Hosein was awarded 3,750 shares of restricted stock that vested on September 1, 2006. Mr. Werner, who joined the Board in March 2006, was granted an option on March 27, 2006 to purchase 2,500 shares of the Company's common stock at an exercise price of \$32.92 per share, the closing market price on that date, with the vesting terms described above. Mr. Werner was also awarded 2,500 shares of restricted stock that vested on September 1, 2006.

For regular Board meetings, non-employee directors are paid \$2,500 for each meeting. For special Board meetings, non-employee directors are paid \$1,000 for each meeting attended except where directors are requested to attend in person, in which case non-employee directors attending in person are paid \$2,500. For committee meetings, non-employee directors serving on the committee are paid \$1,000 for each meeting attended, except that the person serving as chair of the Audit Committee is paid \$4,000 for each Audit Committee meeting and the chair of any other committee is paid \$2,000 for each meeting of that committee. In addition, each non-employee director receives an annual retainer of \$25,000 paid in quarterly installments in advance.

The Company's non-employee directors may defer certain retainer payments and meeting fees to a later payment date under the Cree, Inc. Directors' Deferred Compensation Plan, which is designed to meet the requirements of Section 409A of the Internal Revenue Code and to be exempt from the Employee Retirement Income Security Act. A participant may choose to receive payment upon his or her separation from service or at a date specified in the election. Any specified date must be at least one year later than the date the payment would have been made in the absence of a deferral election. A participant may choose to receive payment in a single lump sum in cash or in substantially equal annual cash installments for the number of years specified in the election (not to exceed ten) beginning on the designated payment date. Participants have the ability to earn "deemed" or "shadow" interest on their deferred amounts. The investment options are the same as those available under the Company's tax-qualified Section 401(k) retirement plan. Participants direct the manner in which their deferred amounts are deemed invested among the investment options.

Employment Agreements

The Company has entered into an employment agreement with Mr. Swoboda and a letter agreement with Ms. Merrell in connection with her resignation and continuation as an at-will employee beyond the date of her resignation, as described below.

Agreement with Mr. Swoboda. On October 13, 2004, the Company and Charles M. Swoboda entered into an employment agreement pursuant to which Mr. Swoboda will continue to serve as the Company's President and Chief Executive Officer as an at-will employee. In addition, the agreement requires Mr. Swoboda to be nominated each year to serve as a member of the Company's Board of Directors.

The agreement has an initial term of three years, with automatic one-year renewals commencing on the third anniversary, unless one party provides the other with at least 120 days' prior written notice that the term shall not be extended. Under the agreement, Mr. Swoboda's annual base salary was initially set at \$500,000, and is to be reviewed annually by the Compensation Committee of the Company's Board of Directors. Mr. Swoboda will be eligible to receive a bonus upon the achievement of certain performance goals set by the Compensation Committee, and his target bonus for each calendar year will be at least 70% of his base salary.

The agreement also provides that Mr. Swoboda is entitled to participate in certain benefit plans of the Company as well as to be reimbursed for certain travel, entertainment and other expenses in connection with his services for the Company.

Although Mr. Swoboda is an at-will employee, meaning that he can be terminated at any time with or without cause upon written notice by the Company, he is entitled to severance benefits depending on the circumstances of the termination. In the event the Company terminates Mr. Swoboda for any reason, he will be entitled to any (i) unpaid base salary accrued up to the effective date of termination, (ii) unpaid, but earned and accrued annual incentive for any completed fiscal year as of the termination, (iii) pay for accrued but unused vacation that the Company is legally obligated to pay, (iv) benefits or compensation as provided under the terms of any applicable employee benefit and compensation agreements or plans, (v) unreimbursed business expenses

[Table of Contents](#)

required to be reimbursed and (vi) rights to indemnification under the Company's Articles of Incorporation, Bylaws, the agreement or separate indemnification agreement, as applicable.

If Mr. Swoboda's employment is terminated by the Company without cause or by Mr. Swoboda for good reason, and the termination is not in connection with a change of control, then Mr. Swoboda will receive (i) continued payment of his base salary until the later of (a) the date 24 months following the termination of Mr. Swoboda's employment or (b) the date that the term of the agreement otherwise expires (the "Continuance Period"), (ii) a lump-sum payment, paid at the time fiscal year bonuses are paid to other Company executive officers, equal to twice the average of Mr. Swoboda's earned annual incentives for the two fiscal years immediately preceding the fiscal year in which the termination occurs, (iii) reimbursement for premiums paid to continue medical benefits for Mr. Swoboda and his eligible dependents under the Company's benefit plans for 12 months and (iv) accelerated vesting with respect to 50% of his then outstanding, unvested equity awards that (y) were granted prior to the effective date of the agreement and are "underwater" as of the same date, or (z) are granted on or after the effective date of the agreement.

If Mr. Swoboda's employment is terminated by the Company without cause or by Mr. Swoboda for good reason, and the termination is in connection with a change of control, then he will receive (i) continued payment of his base salary for the Continuance Period, (ii) a lump-sum payment of an amount equal to his current target annual incentive, pro-rated to the date of termination, paid within 30 days of termination, (iii) a lump-sum payment, paid at the time fiscal year bonuses are paid to other Company executive officers, equal to twice the average of Mr. Swoboda's earned annual incentives for the two fiscal years immediately preceding the fiscal year in which the termination occurs, (iv) reimbursement for premiums paid to continue medical benefits for Mr. Swoboda and his eligible dependents under the Company's benefit plans for 24 months and (v) full accelerated vesting with respect to Mr. Swoboda's then outstanding, unvested equity awards. In addition, Mr. Swoboda also will receive a gross-up payment equal to the amount of any excise tax incurred as a result of any payments made by the Company, together with any income, employment and excise taxes related to such gross-up payment, as well as any related interest and penalties, that would not have been imposed absent such payments in an amount sufficient to restore him to the same after-tax position he would have been in if the excise tax had not been imposed.

In the event of a dispute relating to any provision of the agreement, the Company will reimburse Mr. Swoboda for the fees and expenses he incurs in connection with the dispute on a quarterly basis. In the event Mr. Swoboda does not prevail on at least one material issue or if an arbitrator determines that Mr. Swoboda's legal positions were frivolous or without legal foundation, (i) Mr. Swoboda will repay the Company amounts previously reimbursed and (ii) Mr. Swoboda will reimburse the Company for its fees and expenses.

The agreement also provides that Mr. Swoboda will execute the Company's standard form of employee agreement regarding confidential information, intellectual property and noncompetition. This employee agreement contains standard provisions regarding the treatment and disclosure of confidential information, intellectual property assignment and rights and restrictions on competition. Under the non-competition provisions of the employee agreement and subject to certain limited exceptions, an employee is restricted while employed by the Company and for a period of time following the termination of his or her employment from (i) performing services for any competing business, (ii) holding office as an officer or director or like position in any competing business or being the beneficial owner of an equity interest in any competing business, (iii) requesting any present or future customers or suppliers of the Company to curtail or cancel business with the Company or (iv) inducing or attempting to induce any employee of the Company to terminate his or her employment with the Company. Under the agreement, Mr. Swoboda has agreed to be subject to these noncompetition provisions for the later of the date 12 months following termination of his employment or the expiration of the Continuance Period.

Until the Resignation Effective Date, she was compensated at her current base salary and was eligible to participate in all Company employee benefit plans, policies and arrangements that were applicable to regular, full-time employees, including the Company's Management Incentive Compensation Plan, with any incentive payment award under the plan prorated as of the Resignation Effective Date.

Beginning on the Resignation Effective Date and until December 31, 2006, unless her employment is terminated earlier, Ms. Merrell will serve as Senior Financial Advisor to the Company's Chief Executive Officer on a part-time basis, up to 80 hours per month. During that period, she will continue to be compensated at her current base salary and will be eligible to participate in all Company employee benefit plans, policies and arrangements that are applicable to part-time employees, except that she will not participate in the Company's quarterly Employee Incentive Compensation Plan. She will also not be eligible to participate in the Company's medical, vision and dental plans, unless she timely elects to extend coverage pursuant to COBRA. The Company will increase her salary by an amount equal to the applicable COBRA premium during the period she is a part-time employee under the Agreement.

Ms. Merrell's stock options will continue to vest until the termination of her employment with the Company, subject to the provisions of the Company's Equity Compensation Plan and applicable agreements between Ms. Merrell and the Company. If the Company terminates Ms. Merrell's employment without cause (as defined in the Agreement) prior to December 31, 2006, Ms. Merrell will be entitled to receive a severance payment equal to the sum of (1) the remaining base salary she would have earned through December 31, 2006, (2) the value of any accrued and unused vacation days and holiday hours as of the last day of her employment and (3) her cost (grossed up for taxes) to continue medical, vision and dental coverage for herself and her dependents through the first anniversary of the Resignation Effective Date. If Ms. Merrell remains employed by the Company through December 31, 2006, Ms. Merrell will be entitled to receive a severance payment equal to the sum of the amounts described in (2) and (3) above.

If Ms. Merrell terminates her employment with the Company or the Company terminates Ms. Merrell for cause (as defined in the Agreement) prior to December 31, 2006, the Company shall have no obligation to pay Ms. Merrell any severance payments. Cause includes among other things Ms. Merrell's death, disability or incapacity, acts or omission of gross negligence or willful misconduct, willful and continued failure to perform duties and responsibilities, material breach of her confidential information, intellectual property and non-compete agreement with the Company or, prior to the Resignation Effective Date, her employment by another entity.

Payment of any severance amounts is conditioned upon Ms. Merrell providing the Company a release of customary claims.

The Company assumed the options outstanding under the Nitres Plan, which have a weighted average exercise price of \$0.005 per share, in connection with the Company's acquisition of Nitres, Inc. in May 2000.

As of June 25, 2006, the only compensation plans or arrangements under which the Company is authorized to issue equity securities and which have not been previously approved by the shareholders are the Nonqualified Plan, the Fiscal 2001 and Fiscal 2002 Bonus Plans and the options assumed under the Nitres Plan. The following is a brief description of the material features of these plans; this description is not intended to be a complete description of the plans and is qualified in its entirety by reference to the full text of the applicable plan:

Nonqualified Plan. The Nonqualified Plan was adopted by the Board of Directors in April 2001. It provided for grants to the Company's eligible employees (including employees of its controlled subsidiaries) of nonqualified stock options to purchase shares of the Company's common stock. None of the Company's directors or officers was eligible to receive awards under the Nonqualified Plan. The Nonqualified Plan terminated as to additional grants in January 2003. As of June 25, 2006, there were options to purchase 1,303,032 shares outstanding under the Nonqualified Plan.

Fiscal 2001 and Fiscal 2002 Bonus Plans. The Board of Directors adopted the Fiscal 2001 Bonus Plan in October 1999 in order to provide for grants of nonqualified stock options to the Company's eligible employees (including employees of its controlled subsidiaries) for each quarter of fiscal 2001 if the Company achieved pre-established financial targets for the quarter. None of the Company's directors or officers was eligible to

receive awards under the plan, and employees participating in its cash incentive compensation programs did not participate in the plan. The Fiscal 2001 Bonus Plan expired as to additional grants in September 2001. As of June 25, 2006, there were options to purchase 142,734 shares outstanding under the Fiscal 2001 Bonus Plan.

The Fiscal 2002 Bonus Plan was adopted by the Board of Directors in July 2001 with substantially the same terms as the Fiscal 2001 Bonus Plan. The Fiscal 2002 Bonus Plan expired as to additional grants in September 2002. As of June 25, 2006 there were options to purchase 19,824 shares outstanding under the Fiscal 2002 Bonus Plan.

Nitres Plan. In connection with the acquisition of Nitres, Inc. in May 2000, pursuant to which Nitres became the Company's wholly-owned subsidiary, the Company assumed certain outstanding stock options granted under the Nitres Plan. Since the closing of the acquisition, no additional stock options have been awarded, nor are any authorized to be awarded, under the Nitres Plan. As of June 25, 2006 there were 41,505 nonqualified stock options outstanding under the Nitres Plan.

Report of the Compensation Committee

The Compensation Committee approves the compensation of the chief executive officer and all other executive officers. In addition, the Committee administers the Company's equity compensation plans and, in that capacity, reviews and approves awards to executive officers under the plans. This report describes the policies followed by the Committee with respect to the compensation of executive officers for fiscal 2006 and the bases for the fiscal 2006 compensation of Mr. Swoboda, who served as Chairman and Chief Executive Officer ("CEO") during the year.

Executive Officer Compensation Policies. The Committee believes the Company's overall compensation program should relate to creating shareholder value. Accordingly, the Committee seeks to adhere to executive compensation practices that will enable the Company to attract and retain talented executives, align the interests of executives with shareholder interests and motivate executives to achieve targeted Company objectives. The Company historically has relied to a substantial degree on equity compensation to attract and motivate executive officers. In considering proposed equity awards, the Committee takes into account factors it deems appropriate, including the officer's position and level of responsibility, options and restricted stock held by the officer, the potential reward to the officer if the stock price appreciates and the competitiveness of the officer's overall compensation arrangements. Outstanding performance by an individual and significant changes in responsibilities also may be taken into consideration.

In applying these policies in approving the compensation of executive officers for fiscal 2006, the Committee sought to establish each officer's overall compensation at competitive market levels based on compensation for comparable positions at similarly-situated companies. In approving compensation adjustments the Committee examined both qualitative and quantitative factors relating to corporate and individual performance. The qualitative factors in many instances necessarily involved a subjective assessment by the Committee. The Committee did not base its considerations on any single factor. It instead considered a variety of factors and evaluated individual performance against those factors both in absolute terms and in relation to the executive's peers at similar companies. With respect to executive officers other than the CEO, the Committee also considered Mr. Swoboda's recommendations.

Executive officer compensation approved for fiscal 2006 consisted of base salary, stock option and restricted stock grants and awards under the management incentive compensation plan, in addition to other benefits available to Company employees generally. In the case of Ms. Merrell, who tendered her resignation as Chief Financial Officer in August 2005 and resigned the position effective in May 2006, the Committee determined it was appropriate to make no adjustment to her salary or incentive target award as an executive officer for fiscal 2006 nor to grant her any additional equity awards. To assure her continued availability for a transition period following her resignation, the Committee approved an agreement under which the Company has employed her in an advisory role on a part-time basis through December 2006.

[Table of Contents](#)

The options awarded to executive officers during fiscal 2006 were granted at exercise prices equal to the closing market price of the underlying stock on the grant date, are subject to vesting ratably over three years from the grant date and have a maximum term of seven years. The restricted stock awards were granted subject to vesting ratably over five years from the grant date. Awards under the incentive compensation plan were assigned as a target award for each participant, expressed as a percentage of base salary, to be paid if certain goals were achieved. The goals included corporate performance measures for all participants and individual quarterly objectives for participants reporting to the CEO. For executive officers other than the CEO and Chairman, 60% of the target award was based upon fiscal year financial goals and the remainder based upon individual quarterly objectives. Participants were eligible to earn from 0% to 100% of the quarterly awards and from 0% to 150% of the annual awards depending on performance. For the CEO and Chairman, the target awards were based entirely on fiscal year goals. The corporate financial goals were established at the beginning of the fiscal year and included revenue, net income and earnings per share measures. No part of the annual award would be paid unless the minimum revenue and net income or earnings per share goals were met. For fiscal 2006, no part of the annual award was paid because the minimum financial targets were not met.

Bases for CEO Compensation. The Compensation Committee followed the general policies described above in approving Mr. Swoboda's compensation for fiscal 2006. The Committee took into consideration both individual and corporate performance, including the Company's financial results for fiscal 2005, and competitive market data regarding compensation of chief executive officers at similarly-situated companies. Based on these factors, the Committee approved an annual salary of \$550,000 for Mr. Swoboda, effective as of September 2005, with a target incentive award equal to 70% of his base salary. The incentive award was conditioned upon achievement of the corporate performance goals for the year as described above. Based on the fiscal 2006 financial results, no part of the incentive award was paid.

Mr. Swoboda also received one option grant during fiscal 2006, representing the right to purchase 6,000 shares of common stock at \$25.47 per share, with the exercise price equal to the closing market price on the grant date. The option is scheduled to vest over three years from the grant date. In addition, the Committee approved a restricted stock award of 30,000 shares to Mr. Swoboda, vesting ratably over five years from the grant date.

Compensation Committee Interlocks and Insider Participation

None of the members of the Compensation Committee who served during fiscal 2006 has ever served as an officer or employee of the Company or any of its subsidiaries. **PROPOSAL NO. 2 — RATIFICATION OF APPOINTMENT OF
INDEPENDENT AUDITORS**

The Audit Committee has reappointed Ernst & Young LLP to audit the consolidated financial statements of the Company for fiscal 2007. Ernst & Young was first engaged as the Company's independent auditors for fiscal 1999 and has served as the Company's independent auditors for each subsequent fiscal year. A representative from Ernst & Young is expected to be present at the 2006 Annual Meeting, will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions.

Although shareholder ratification of the appointment is not required by law or the Company's Bylaws, the Audit Committee determined that, as a matter of corporate governance, the selection of independent auditors should be submitted to the shareholders for approval. If the appointment of Ernst & Young is not ratified by a majority of the shares cast at the 2006 Annual Meeting, the Audit Committee will consider the appointment of other independent auditors for subsequent fiscal years.

**The Board of Directors recommends
shareholders vote FOR Proposal No. 2.**

Report of the Audit Committee

The role of the Audit Committee is to assist the Board of Directors in its oversight of the Company's financial reporting process and audits of the Company's financial statements including its internal controls over financial reporting. The full responsibilities of the Audit Committee are described in a written charter adopted by the Board of Directors, a copy of which is posted on the Company's website at www.cree.com. The management of the Company is responsible for the preparation, presentation and integrity of the Company's financial statements, the Company's accounting and financial reporting principles, internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The independent auditors are responsible for auditing the Company's financial statements and expressing an opinion as to their conformity with generally accepted accounting principles, as well as expressing opinions on management's assessment of the effectiveness of the Company's internal controls and the auditors' own assessment of the effectiveness of the Company's internal controls.

In the performance of its oversight function, the Audit Committee has reviewed and discussed with management and the independent auditors the audited financial statements, management's assessment and report on the effectiveness of the Company's internal controls, the independent auditors' attestation report on the Company's internal controls and the processes that support certifications of the Company's financial statements by the Company's Chief Executive Officer and Chief Financial Officer. The Audit Committee has also discussed with the independent auditors the matters required by Statement on Auditing Standards No. 61, Communication with Audit Committees, as currently in effect. In addition, the Audit Committee has received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, as currently in effect, has considered whether the provision of non-audit services by the independent auditors to the Company is compatible with maintaining the auditors' independence and has discussed with the auditors the auditors' independence.

The members of the Audit Committee in carrying out their duties are not engaged in the practice of accounting and do not act as auditors. Members of the Committee rely without independent verification on the information provided to them and on the representations made by management and the independent auditors. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or appropriate internal controls and procedures designed to assure compliance with accounting standards and applicable laws and regulations. The Audit Committee's considerations and discussions referred to above do not assure that the audit

[Table of Contents](#)

of the Company's financial statements has been carried out in accordance with generally accepted auditing standards, that the financial statements are presented in accordance with generally accepted accounting principles or that the Company's auditors are in fact independent.

The Audit Committee routinely meets privately with the Company's internal auditor and the independent auditors.

Based upon the review and discussions described in this report, and subject to the limitations on the role and responsibilities of the Audit Committee referred to above and in the Audit Committee Charter, the Audit Committee recommended to the Board that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended June 25, 2006 for filing with the Securities and Exchange Commission.

Under the Company's Bylaws, any shareholder desiring to present a proposal for consideration at the meeting, including any director nomination, was required to give the Company written notice of the proposal by a certain date. No timely proposals have been received. Should any other business properly come before the meeting, the persons named in the accompanying form of proxy may vote the shares represented by the proxy in their discretion, except that under the rules of the Securities and Exchange Commission the accompanying proxy cannot be voted for more than eight nominees.

Procedures for Director Nominations

Under the charter of the Governance and Nominations Committee, the Committee is responsible for identifying and selecting, or recommending that the Board select, qualified candidates for membership on the Board of Directors. In identifying candidates, the Committee takes into account such factors as it considers appropriate, which may include (a) ensuring that the Board, as a whole, is diverse and consists of individuals with various and relevant career experience, relevant technical skills, industry knowledge and experience, financial expertise and local or community ties; (b) minimum individual qualifications, including strength of character, mature judgment, familiarity with the Company's business and industry, independence of thought and an ability to work collegially; (c) questions of independence, possible conflicts of interest and whether a candidate has special interests or a specific agenda that would impair his or her ability to effectively represent the interests of all shareholders; and (d) the extent to which the candidate would fill a present need on the Board. The Committee is also authorized to develop additional policies regarding Board size, composition and member qualification.

The Governance and Nominations Committee is responsible for evaluating suggestions concerning possible candidates for election to the Board submitted to the Company, including those submitted by Board members (including self-nominations) and shareholders. All candidates, including those submitted by shareholders, will be

evaluated by the Committee on the same basis as other candidates using the Board membership criteria described above and in accordance with applicable procedures. Once candidates have been identified, the Committee will determine whether such candidates meet the minimum qualifications for director nominees. A search firm, SpencerStuart, has been engaged to assist the Committee in identifying and evaluating potential candidates.

All nominees for election to the Board of Directors at the 2006 Annual Meeting were recommended by non-management directors. Any shareholder desiring to present a nomination for consideration by the Governance and Nominations Committee prior to the 2007 Annual Meeting must do so in accordance with the Company's Bylaws. See "2007 Annual Meeting of Shareholders" above.

Shareholder Communications with Directors

The Board of Directors, as a matter of policy, desires to facilitate communications between shareholders and directors to assist the Board in fulfilling its responsibilities to all shareholders. To that end the Board has established a process for use by shareholders who desire to bring matters to the Board's attention. The Board has directed that the Secretary not forward communications which (a) are not reasonably related to the business of the Company, (b) concern individual grievances or other interests that are personal to the shareholder submitting the communication and that cannot reasonably be construed to present a matter of concern to shareholders generally or (c) under community standards, contain offensive, scurrilous or abusive content or that advocate engaging in illegal activities. If the Secretary, in his or her judgment, deems a communication inappropriate under the foregoing criteria, it will be returned to the person who submitted it together with a brief explanation of the reason why it has been deemed inappropriate for delivery.
